Robert E. Jacobson, M.D.

EDUCATION: **Undergraduate/Medical:** Combined 5 year program with Pennsylvania State University and Jefferson Medical College Philadelphia. 06/1964 – 06/1969
Internship: Mt. Sinai Hospital, New York. 07/1969 – 09/1970
Residency Neurological Surgery: 07/1970 – 10/1972
Albert Einstein College Medicine/Jacobi Hospital, New York. (Prof. H. Rosomoff)
Residency Neurological Surgery: 10/1972 – 06/1975
University of Miami/Jackson Memorial Hospital. (Prof. H. Rosomoff)

ACADEMIC POSITION:

U.M. Department of Neurological Surgery: Instructor 01/1974 – 06/1975
U.M. Department of Neurological Surgery: Assistant Professor 06/1975 – 12/1977

Clinical Fellowships:

Academisch Zeikenhaus: Utrecht, Netherlands: 06/1975 – 12/1975
Cervical and lumbar spine surgery under Professor Henk Verbiest
Kantonspiel, Zurich: 12/1975 – 05/1976
Microvascular surgery under Professor G. Yasargil.

Military Service:

Medical Officer United States Army 10/1969 – 01/1984

Academic Honors:

Ford Foundation Scholar 1932-1964
Phi Beta Kappa 1967
Alpha Omega Alpha Medical Honor Society 1968

US Patents:

Method and Instruments for performing a Percutaneous Lumbar Discectomy
US#4545374 (1982/1985)
System and Method for stabilizing bone segments
US#5382248 (1993/1997)
Portable Body Stereotaxic Guidance Apparatus
US#5665095 (1994/1997)
Percutaneous Lumbar screw alignment and placement system.
US#5830699

Robert E. Jacobson, M.D.

Private Practice:

Miami, Florida 10/1977 – 12/1994: Cedars of Lebanon, Health South Larkin, Victoria Hospital, University Medical Center (Plantation), Outpatient Surgical Services (Plantation).

12/1994 – 01-2006: Pain Management and Business Manager Pain Resource Center (South Miami, FL), Out Patient Surgical Services (plantation, FL), Boca Raton Ambulatory Center (Boca Raton , FL), Wellington Regional Hospital (Wellington, FL).

09/2011 – Present: Miami Neurosurgical Center.

Educational Presentations:

Director of Training service on Lumbar Surgery, Barcelona, Spain, 1984.

Robert E. Jacobson, M.D.

Advances in Lumbar Spine Surgery: Percutaneous Nucleotomy, American College of Surgeons, Atlanta, Georgia, 1984.

Member of NIH (National Institute of Health) Advisory Panel for the development of Automated Percutaneous Discectomy, Washington, D.C., 1985.

Spine Update, American Academy of Orthopedic Surgery, Palm Beach, Florida 1985.

A Review of 500 Cases of Percutaneous Discectomy, Latin American Congress of Neurosurgery, Acapulco, Mexico, November 1988.

Percutaneous Discectomy Workshop Faculty Member, American Academy of Orthopedic Surgery; Las Vegas, Nevada, February 1989.

Speaker and Faculty Member at the Symposium and Instructional Workshop on Percutaneous Discectomy, International College of Surgeons, San Francisco, California, April 1989.

Director Of Training Symposiums and Workshops on Automated Percutaneous Discectomy in South America, Central America, and the Caribbean, 1990.

Speaker and teaching techniques: Spinal Instrumentation, XXIV American Congress of Neurosurgeons, March 1991.

Lectures and Training: R-F System Workshop: Principles and Biomechanics of the R-F, Anatomic Landmarks and Surgical Techniques, Phoenix, Arizona, October 1991.

Teaching and Lecturing: TSRH-Spinal Implant System Course and Workshop: Spinal Fixation and Fusion, Orlando, Florida, November 1991.

Teaching: Automated Percutaneous Lumbar Discectomy, Spine 92 Workshop, Orlando, Florida, June 1992.

Teaching: Fixation Course, Caracas, Venezuela, June 1992.

Director of Training Symposium and Workshop on Segmental Lumbar Stabilization, American Back Society, San Francisco, California, December 1992.

Internal Stabilization and Fixation of the Lumbar Spine: R-F System Workshop. Chairman: September 1991, Miami, FL; January 1992, Miami, FL; May 1993, Orlando, FL. Faculty Member: October 1991, Phoenix, AZ; December 1991, Shreveport, LA; September 1992, Dallas, TX.
