
Gianni Persich, DPM

CLINICAL EXPERIENCE

Surgicore Surgical Center of Saddle Brook, New Jersey
Attending 2017-present

Oradell Surgical Center, Oradell, New Jersey
Attending, 2014-present.

HealthEast Surgical Center, Englewood, New Jersey
Attending, 2011-Present

Maimonides Medical Center, Brooklyn, New York
Attending, 2010- Present

The New Parkway Hospital, Forest Hills, New York
Director, Wound care & Hyperbaric Services 2004-2007
Attending, 2004-2008 (Hospital Closure)

Mount Sinai Medical Center, New York, New York
Clinical Instructor, Department of Orthopedic Surgery
Attending, 2002-present

Mount Sinai Hospital of Queens, Astoria, New York
Associate Chief, Department of Podiatric Surgery
Clinical Instructor in Podiatric Medicine & Surgery, Podiatric Residency Program 1998-present
Attending, 1992-present

Boulevard Surgical Center, Astoria, New York
Chief, Podiatric Surgical Service 2000-2007
Attending, 1993-2007

Brook Plaza Surgical Center, Brooklyn, New York
Attending, 2006-2012

North Shore University Hospital, Forest Hills, New York
Attending, 1997-2000

Wyckoff Heights Medical Center, Brooklyn, New York
Division of New York Hospital
Clinical Assistant Attending, Podiatry Division, 1991-1995
Clinical Associate Attending, Podiatry Division, 1995-1999

Jackson Heights Hospital, Jackson Heights, New York
Division of New York Hospital
Clinical Assistant Attending, Podiatry Division, 1991-1995
Clinical Associate Attending, Podiatry Division, 1995-1996 (Hospital Closure)

EDUCATION/TRAINING

B.A., New York University, 1986

Major: Biology

Washington Square and University College, College of Arts and Sciences, Scholarship

New York State Regents Scholarship

D.P.M., New York College of Podiatric Medicine, 1990

Doctor of Podiatric Medicine

Resident, Department of Orthopedic Surgery, Podiatric Service

Northport Veterans Administration Medical Center, 1990-1991

Professional Memberships

American Professional Woundcare Association, 2006

American College of Forensic Examiners, 1996

DEA
BP2471984
Workers Compensation/IME
PO-4789-5B

BOARD CERTIFICATIONS

**DIPLOMATE, AMERICAN BOARD OF MULTIPLE SPECIALTIES IN PODIATRY,
PRIMARY CARE IN PODIATRIC MEDICINE AND PODIATRIC SURGERY**

FELLOW CERTIFICATIONS

FELLOW, AMERICAN PROFESSIONAL WOUNDCARE ASSOCIATION, 2006
FELLOW, AMERICAN BOARD OF FORENSIC EXAMINERS, 1997
FELLOW, AMERICAN COLLEGE OF LOWER EXTREMITY SURGEONS

FACULTY APPOINTMENTS

RESEARCH DIRECTOR, THE MOUNT SINAI HOSPITAL PODIATRIC RESIDENCY PROGRAM, 2006-2014
CLINICAL INSTRUCTOR, DEPARTMENT OF ORTHOPEDIC SURGERY, MOUNT SINAI SCHOOL OF MEDICINE, 2002-PRESENT

MANAGEMENT POSITIONS

ASSOCIATE CHIEF
DEPARTMENT OF PODIATRY, THE MOUNT SINAI HOSPITAL OF QUEENS 1998-PRESENT

CHAIRMAN
PODIATRIC SERVICE, BOULEVARD SURGICAL CENTER, ASTORIA, NY 1998-2007

DIRECTOR
PODIATRIC SERVICES, BORO MEDICAL CLINICS OF NEW YORK, PLLC 1998-2007

PUBLICATIONS

Efficacy of Concentrated Autologous Platelet-Derived Growth Factors in Chronic Lower Extremity Wounds
J Am Podiatric Med Assoc. 2006 Nov/Dec;96 (6) 482-488

Use of Autologous Platelet Concentrate in a Non-healing Lower Extremity Wound.
Adv Skin Wound Care. 2006 Sep;19(7):354-363

Neurothekeoma in the foot: a rare occurrence.

J Am Podiatric Med Assoc. 2004 Jan-Feb;94(1):59-60.

Tarsal Tunnel Syndrome, Current Management

Journal of EMedicine, Chapter Article, Original Publication 1/10/2003

Pending/In Progress

Endoscopic repair of posterior tibial tendon, a case report.

The use of external fixators in rearfoot arthrodesis. (research studies).

Evaluation of arthroscopic Brostrom repair vs traditional open approach.

CRPS- epidemiology, incidence and population markers.

CONFERENCE/LECTURE PRESENTATIONS

Mount Sinai Hospital of Queens

Clinical Instructor in Podiatric Medicine and Surgery

- Selection and use of surgical instrumentation and biomaterials
 - The management of high velocity and ballistic trauma to the lower extremity
 - The management of peripheral nerve injuries
 - The management of chronic wounds
 - Reconstructive surgical management of charcot deformity
 - Arthroscopic surgery of the ankle and sinus tarsi
 - Ultra small joint arthroscopy
 - Use of locking plates in reconstructive surgery and trauma
 - Use of external fixators in management of pedal deformity
- Multiple dates, 1998-2012

Mount Sinai School of Medicine, New York, NY October 2000

Guest Lecturer in Emergency Medicine

" The evaluation and management of foot pathology and injuries in the Emergency Care Setting"

Wyeth Ayerst, Visiting Professor Program, April 2000

" Antibiotic selection in the management of serious diabetic infections"

Pfizer Pharma, January 2000

"The use of COX-2 Inhibitors in the management of chronic pain"

Merck, October 2000

"Managing pain in the post-operative or injured patient"

Poster Presentation

American College of Foot and Ankle Surgeons, New Orleans, LA, March 2005

"Autologous tissue grafting in recalcitrant wounds"

Emergency Room and House Staff Lecture Series

The New Parkway Hospital, August 2005

"The evaluation and treatment of foot and ankle disorders in the emergency room"

New York City Fire Department, Division of EMS, CME series

February 2005

"Hyperbaric Medicine, an overview"

Smith Nephew 2005

Visiting Professor series

Various lectures throughout New York

“New advances in dermal replacement”

Mount Sinai Hospital of Queens November 10, 2006

Guest Lecturer in Emergency Medicine/Grand Rounds/CME

“Evaluation and management of acute foot and ankle injuries”

**Smith-Nephew Global Woundcare Faculty-New York State Podiatric Medical Association-Queens Division
September 2006**

Lecture on new debridement and wound management techniques, a 21st Century perspective.

Poster Presentation

American College of Foot and Ankle Surgeons, Las Vegas, NV, March 2006

“A randomized study of Versajet vs conventional debridement techniques in wound care”

New Jersey Podiatric Medical Association 2008

Southern District

“The use of smart dressings in management of complex wounds”

AMERICAN PROFESSIONAL WOUND CARE ASSOCIATION

POSTER PRESENTATION, NATIONAL CONFERENCE, PHILADELPHIA, PA APRIL 2-5, 2009

“Use of autologous platelet factors in a nanoparticle dressing to facilitate wound closure”

Diabetic Foot Global Conference

Poster Presentation, Los Angeles, California, March 19-21, 2009

“Properties of a novel powder dressing and clinical experience in diabetic foot ulcers”

Sisters of Charity Hospital, Buffalo, New York October 17, 2009

“Cadaver workshop and lectures on use of subtalar implants, metatarsalphalangeal joint replacements, neuroma surgery and heel spur surgery.”

Florida Podiatric Medical Association, January 2010, Orlando Florida

“Cadaver workshop on internal fixation and reconstructive surgery”

Florida Podiatric Medical Association, Collier County Division, April 23, 2010

“Introduction to locking plate technology, uses and applications in current day reconstructive and salvage procedures”

Georgia Podiatric Medical Association, Atlanta, GA June 2010

“The use of locking plate constructs in reconstructive foot and ankle surgery”

Florida Podiatric Medical Association, January 2011, Orlando, Florida

“Midfoot and forefoot procedures using advanced fixation technologies”, Lecture/Workshop

Merck, December 2011, February 2012

Bronx VA Medical Center

Evidence based treatment of diabetic foot infections, a clinical perspective.

Connecticut Podiatric Medical Association, March 2012

DVT prophylaxis in the post operative lower extremity patient.

Adjunctive modalities in post operative pain management, a review.

RESEARCH INTERESTS

TRAUMA

MICRO JOINT ARTHROSCOPY

BIOMATERIALS

INTERNAL/EXTERNAL FIXATION TECHNIQUES

DEVELOPED ORTHOPEDIC FRACTURE PLATES, OSTEOMED CORPORATION, 2010.

PEER REVIEW

GUEST EDITOR/PEER REVIEW, FOOT & ANKLE SPECIALIST MEDICAL JOURNAL, DECEMBER 2016
